General Manager's Message

The beginning was just a dream, then it comes true

The beginning was just a dream, then it comes true...

thanks to Allah The Almighty always and to the efforts of the loyal employees of GLOBAL GULF Contracting Company.

We have crossed the odds and achieved successes after success until we reached the forefront of the elite of companies in the kingdom, we did not spare any effort to keep our position in the forefront. The kingdom has accompanied economic development through modern and sophisticated methods that have helped to attract investors and increase the economic activity in the country, so we have been eager to continuously develop to raise the efficiency of the company with the policies and strategic plans we aspire.

Since we started in GLOBAL GULF contracting to practice our business and reputation grows among our customers as one of the most prominent companies in the kingdom. The quality of performance on all levels and the satisfaction that we feel from our clients are the basis of our success and proud to stand behind it. Our team works in one spirit, each one of them has a strong sense of responsibility and a power to offer the best efforts they can.

Today in GLOBAL GULF contracting, we have established our principles based on making the concept of quality a sole option for ranging from work in projects requiring civil works such as roads, bridges and complex metal and concrete structures, to prestigious construction projects such as Air Base Infrastructures, Aramco standard buildings, University buildings and Sports facilities that it is characterized by high quality. In addition to the specialized infrastructure works to provide the best services to our customers, who believe in our power and our capabilities in fulfilling our obligations under all circumstances, as they trust that the result they receive will be above their level of expectations.

We always try to give more value & innovation to the business needed with creative & efficient solution more than you can think.

What Distinguishes Us (WHY GLOBAL GULF Co.)

1 Our Experienced Team

Our experienced team started by a constant struggle and a hectic race to achieve advanced positions in the field of contracting, we have gone through all the stages, we have passed the odds, and we have made it to become a part of our daily life that is indispensable.

3 Development and Training

Investing is the most successful investment ever, as well as our principle of selectivity in selecting competencies is based on personal skills such as positive, striving for continuous training and embracing core values such as cooperation and credibility, we build efficiency of our team, the career development was one of their rights, as we were keen to hone their skills and continue to provide a healthy working environment and adopt a policy of motivation, all to ensure their comfort thus to get the maximum productivity and quality as this is what we gain.

2 Pioneers in contracting

It is not easy to take the lead in a large and challenging sector such as the contracting sector and will not pass the intense competition except by excellence. Long experience and high quality with the use of the latest technologies and mechanisms guaranteed for us an advanced leadership position. Our ability to execute projects, no matter how large and high quality, has strengthened our position as one of the important and essential pillars of the constructing sector in the Kingdom.

4 Innovative and effective solutions

Our research and development team is taking care of this task, the traditional solutions are no longer satisfying our ambitions. Technical and technological methods are in spectacular twist which inspire us to offer solutions and services which satisfy our passion, and therefore, expect to hear what the unexpected, and see what you don't imagine, but you will be definitely happy with it.

Our style

we are eager on the effective manner of: human re-sources, material, financial, informational, ideas and time to develop strategies, objectives, policies, procedures, and general rules to execute any project and coordinate all its resources to achieve the desired goal.

CLIENT STATEMENT

Keeping up with modern technology in all of our activities:

The technology is a practical and effective weapon in all journals, our research and development team informs us about the latest technologies and solutions, and they decide the best methods and how to use them and optimize them to achieve the best results for us and our clients.

Commitment to our responsibility towards our community:

Our sense of responsibility towards our society stems from the fact that we are an integral part of this society, our sense of being a part of its members, we participate in its construction and proud to play our role in it with competence and love that extends its effects to the whole society categories.

Integrity:

committed to promoting and implementing the highest standards of ethical conduct. We ask all our employees, suppliers and business partners to work in accordance with our ethical principles. All forms of bribery, corruption, immoral behavior and activities cannot be tolerated.

Our human cadres

From the beginning we realized that our employees are our most precious, and through their dedication and keenness to achieve the principle of high quality in the finest details, they have been the credit of where we are right now, leading the rapidly growing Saudi market.

Our selection policy is based on employing qualified technicians from all over the world, and in addition to the highly qualified management team, the technical department consists of engineers who have a solid experience in engineering and construction matters and who seek to support specialized groups of technicians in different fields according to the specific requirements of each project are also our source of pride and glory.

Our quality

The quality factor is confirmed at GLOBAL GULF Contracting Company, as every employee at GLOBAL GULF is eager to stick to the highest quality in each of the company's various activities. The company has executed number of massive projects using the latest international technologies and the highest specifications and requirements in terms of quality, relying on a complete and highly qualified team dedicated to follow the application of quality standards. The company implements the comprehensive quality system in its implementation of all business.
